ROBBERS GET TWO YEARS EACH IN STATE PRISON

Dexter Speight and E. Thornley, Who Helped Rob Mahboub Store Plead Guilty Before Judge Reynolds.

E. A. Thornley and Dexter Speight, the latter a negro, charged with aiding in the robbery of the Mahboub store on South First street several months ago, and for which they were sentenced to two years each in state prison, pleaded guilty before Judge Reynolds today through their attorneys, Laurence Lee, and were sentenced to eighteen months to two years each in state prison. The court asked each man if there were any extenuating circumstances. Thornley knew of none and Speight assured the court that he "had no idea, judge, 'bout 'fennatin' circumstances, but I sho would like you to go easy on me."

The commitment of these two men appears up the record in the Mahboub case.

The Southwestern Brewery and Ice company has filed suits against Jose Verguilla of Santa Fe county, asking judgment on account for \$12.61 and against Francisco Galtagon asking judgment on account for \$176.12.

COUNCIL WILL TAKE UP SALARY MATTER ON MONDAY

Public Sentiment Generally Favors Salary for the Mayor Beginning With New Administration.

At its regular meeting Monday night City Attorney Lewis will present to the city council ordinances providing for a salary for the mayor of Albuquerque beginning with the entrance of the new administration in April next and for the city council beginning in April 1914, when all members of the present council will have served out their terms.

The passage of an ordinance giving a salary to the mayor practically is assured, public sentiment in favor of a salary for that official having been found by members of the council to be practically unanimous. It only remains for the council to determine the amount which should be paid. It is believed that the council will determine to provide a salary sufficiently large to justify the official in giving practically all his time to city affairs. The action is to be taken as speedily as possible so as to have the question well out of the way before the opening of the approaching city election campaign. The ordinance providing a salary for members of the council is not so sure of success. As nearly as can be learned the council is about evenly divided for and against such a program, while public sentiment seems to be equally uncertain regarding its necessity.

FIRST HEARING OF MAZON CASE IN SOCORRO

Judge Mechem Refuses to Grant Receiver Sought by Ismael Garcia et al as Administrators.

Judge E. A. Mann, H. B. Jamison and Francis E. Wood returned last night from Socorro where they appeared yesterday before Judge Mechem in a Valencia county case involving the large land interests of the Mazon estate in that county.

Marron and Wood, attorneys on behalf of Ismael Garcia and his wife, as administrators of the estate of Rafaela Gonzales de Mazon, mother of the late Leopoldo Mazon, applied to the court for a receiver for a portion of the estate left by Leopoldo Mazon, alleging that the latter was not the owner of the property, but was merely the agent for his mother and that the property in fact belonged to her, that the wife of Ismael Garcia, as one of the heirs of Rafaela Mazon was entitled to a portion of the property.

Judge Mechem refused to grant a receiver on the showing made yesterday, but continued the hearing until February 24th, at which time the application will be presented on affidavits. Marron and Wood represent the plaintiffs, and Vigil and Jamison and Judge Mann the defendants.

MEAT INJURIOUS TO THE KIDNEYS

Take a Teaspoonful of Salts If Back Hurts or Bladder Bothers.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative process clogs and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, advising you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithium, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.
